City Souvenirs

Audience participation is a component of this piece (as is getting a little dirty). Chicago artists Liene Bosqu and Nicole Seisler will traverse 14th Street with a cart full of wet clay, inviting passersby to make casts of details in their surroundings, such as sidewalk cracks.

"The idea is to create a record of a moment in New York," explains Petrushka Bazin, cocurator of "Chance." *Oct 8--10 11am--3pm.*
